

President's Award

The Roofing Industry employs some of the most talented workers in the construction industry. Our employees are unmatched in their commitment to the industry. They maintain a proud tradition that distinguishes them from other trades. It is time the industry recognized these individuals and says "THANK YOU"!

NERCA has established the "President's Award" to be given each year to NERCA member employees that go the extra mile and demonstrate extraordinary traits that the whole roofing industry will admire. The employees of our contractors and associate members are eligible for the award.

The Selection Committee is looking for candidates that have a strong work ethic, demonstrate a professional commitment to the industry, leadership qualities, adherence to safety policies and regulations and are respected by their co-workers. When their away from the job we would like to see individuals that volunteer their time to organizations like Little League baseball, Rotary Clubs, Walk-A-Thons, City/Town recreation programs or any other established entity that provides service to the community.

Nominations are encouraged by co-workers, owners, sales representatives or other individuals that recognize the leaders within the roofing community.

We will recognize the winners at NERCA's 82nd Annual Convention & Trade Show to be held March 12 - 14, 2008 at the Trump Taj Mahal, Atlantic City, NJ. Winners will also receive one (1) night's accommodations, recognition at the President's Reception, full complimentary registration to our ticketed events and a press release in their local newspaper.

February 25, 2008, is the deadline for applications. It's time we praised the people that lead by example every day and raise the quality of professionalism we desire within the industry. We encourage your participation!
